
Nutter (Shaytaan's The Nuts)

Born 2009

58 lbs

Male

Leader

Kermit x Medea (Kraken's Kermit the Frog x Penkhala's Medea)

“The only non-white dog out of the Crazy litter, Nutter also stands out in that he is the second dog that has finished eight 1,000-mile races. Serious and focused, he has led most of our teams out of the start chute on the Quest and Iditarod and been there in lead for many of the finishes, too.”

Nyx (Cheffin's Nyx)

Born 2011

60 lbs

Male

Team

Kermit x Sedna (Kraken's Kermit the Frog x Niikeenuk Sedna)

“One of the few dogs on the team not bred by us, he is however the half brother to the Crazies and the Atheists. Although he can lead, his focus is such that he doesn't often get to the front of the team. He has however finished four Quests and two Iditarods and is the main team motivator when it comes to getting over mountains. He particularly loves the challenge of Eagle Summit's steep slope!”

Whizz (Shaytaan's White Lightning)

Born 2015

38 lbs

Female

Leader

Fram x Maddie (Joey av Vargevass x Shaytaan's MAdasa Boxa Frogs)

“Fast becoming the main kennel leader, taking over from her mum, Maddie, Whizz is showing the potential to be the best leader we have had. Hard working, focused and loyal she does not mess around at all in lead. So far she has run and finished, one Yukon Quest in 2019.”
