65 lbs

Male

Wheel

Nyx x Medea (Cheffin's Nyx x Penkhala's Medea)

“The biggest dog on the team in terms of size and personality (and probably with the biggest international fan base) Slug is almost always seen at wheel, and very often the one dog seen sitting bolt upright in checkpoints when the rest of the team are sleeping - always on guard. A finisher of three Yukon Quests he has very many races left in him.”

Dawkins (Shaytaan's The God Delusion)

Born 2012

42 lbs

Female

Leader

Kermit x Medea (Kraken's

Kermit the Frog x

Penkhala's Medea)

“Dawkins proved to be the strongest leader from the Atheists. No nonsense and very reliable, especially when the going gets tough, Dawkins has two Iditarod and four Quest finishes including leading the team across the finish line in the 2018 race.”

Bering (Siberian Sleddog's Bering)

Born 2014

55 lbs

Male

Wheel

Psycho x Najak (Shaytaan's Psycho Killer x Najak)

“Having finished his first Yukon Quest at just over 18 months of age, Bering is one of the hardest working, most focused dogs on the team. He has since gone on to complete four Yukon Quests and is a first pick for any team.”
